"I authored and introduced the **Government By the People Act** to help everyday Americans take back our democracy from wealthy and well-connected special interests, and return us to a government of, by and for the people."

John P. Sarbanes

HERE'S HOW IT WORKS:

Empower you with a \$25 tax credit when you make a campaign contribution.

Amplify your voice by matching your contribution.

Protect your voice from being drowned out by Super PACs and shadowy outside groups.

WHAT THEY'RE SAYING ABOUT THE **Government By the People Act**:

The New York Times

"[The Government By the People Act] stands as a beacon of hope for a frustrated electorate."

—Joe Nocera

The Boston Globe

"In a campaign year when a few dozen deep-pocketed plutocrats dominate the public discourse, it's heartening to know that someone is trying to design a system where ordinary voters can be heard ... [Rep. Sarbanes'] bill is a chance to do something constructive."

—Renée Loth

The Washington Post

"...it's refreshing to hear Rep. John Sarbanes (D-Md.) present a detailed action plan to try to repair what's broken ... this proposal could make it easier to elect politicians who would make the U.S. government work again for its citizens."

—David Ignatius

By breaking Congress' reliance on wealthy donors, the **Government By the People Act** will make our government more responsive to the needs of everyday Americans.
